20	I didnt think that the 9+ course was that much of a challenge for me so I think that the work should be more challenging. I also think that it wasnt a burden at all and I was expecting it to be more work.	4/30/2013 8:32 AM
21	Make it seem more desirable for others, because most people seem to shy away from it because they don't want to do extra work or becasue they're just plain lazy. It really doesnt require any extra thinking, you just have to think deeper. You don't neccessarily have to be an advanced student to take the course.	4/30/2013 8:32 AM
22	its muy bueno!!!	4/30/2013 8:32 AM
23	have the teacher gather the students and explain everything in more detail	4/30/2013 8:32 AM
24	Have more work that is more challenging, and not more work over all. The 9+ work should not take more than 10 minutes more than the regular. It should just require more use of the brain.	4/30/2013 8:32 AM
25	I think that if it was offered for all clases, that would be great!	4/30/2013 8:31 AM
26	none	4/30/2013 8:31 AM
27	Not as many assignments	4/30/2013 8:31 AM

29	No suggestions	4/30/2013 8:30 AM
30	The 9+ work came inconsistently. We would have a normal assignment one day then a ton more because of 9+ the next day.	4/30/2013 8:30 AM
